The Fathers nature and his purpose

Taking what we'd become
A sinful world that had fallen
To far to make it back

He climbed the hill for us

Laid down His life for all

The price is fully paid
Jesus has made a way
And brought us to God's side

Our God will not be shaken

Our God will not be moved

All things beneath his rule

Through Him all things created
For Him all things were made
In Him we find our purpose
To glorify His name
