Words and music by JOHN DUCKETT
and ANDREW SLACK

-Intro-

Bm D G, Bm F#m A
Bm D G, Bm A

-Verse-

D
Your love
Em D
A mighty hand
Em. Bm
That lifted me
A/C# D G
Out of the darkness

Your love
A perfect heart
That bled for me
For my forgiveness

-Chorus-

G D
And you came
A Bm
And you gave your life for me
G D
You were raised
A Em
The ground could not hold you

And death has been
Swallowed up in victory
My grave
Has been defeated

-Instrumental-

Bm D G, Bm A

-Verse-

Your mercy
Is like the sun
Every morning
New mercies come

Your grace
Has pardoned me
My captive heart
Has been set free

-Chorus-

-Bridge-

Em
God so loved
Bm
That he gave his son
D A
And all who will believe
Em
May not fear death
Bm
But live with Him
D A
For all eternity

Joining with the praise
The Angels sing
Worthy is the Lamb
All strength, and honour
Glory, power
Be too the Son of Man

-Chorus-
